Homecoming '81

On the wet and dreary evening of October 9, 1981, the Homecoming activities were held. The gymnasium was the setting for the court which consisted of girls dressed in beautiful evening gowns and guys dressed handsomely in suits. By the end of the evening, Jennie McKenzie had been crowned queen by the 1980 Homecoming Queen Robin Hubbard Holder.

Focus On Photos

The year of 1981-1982 holds very special memories for the students and faculty as well. Activities ranged from classroom work and study hall to homecoming and the beauty pageant. Playing basketball and dancing were some of the ways students found to have fun and escape from the monotony of school-work. Bands came to the school on occasions to play for dances while other people enjoyed simply eating lunch and sitting around.

Senior Flashbacks

"A Senior? Already! It does seem like only yesterday we were timid little kids on our first day at school. Remembering the little things that happened is what makes memories so fond. The rivalries, little accomplishments, going out for football with those BIG guys — it's hard to leave what has played such a major part in your life.

Now we're ready for a change. A change that will challenge us and test our maturity. We have so much to look forward to, but we have only travelled a small way on the great road of life —

Becoming ourselves.

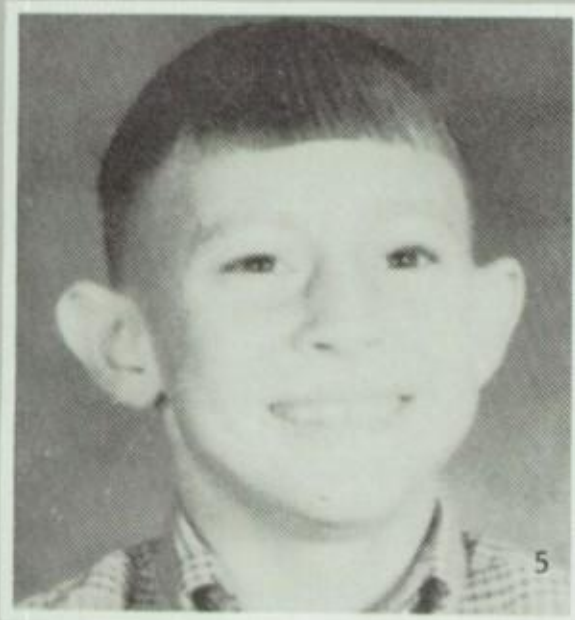

Fulfilling our destiny.

Becoming what we are to become.

Fun In The Sun

On April 30 at 12:01 a.m. the Seniors rolled away from Rebul to have five days of fun and adventure in Panama City, Florida. Highlights of the trip were visits to Whata Water Wonderland and Miracle Strip as well a visit to Grand World. The beach was a popular place to "hang-out", but the arcades gave it stiff competition. Most of the group bought air-brush t-shirts for souvenirs to carry back as a memory of the fun in the sun. Truly, Senior Trip 1982 will never be forgotten by those who were able to be a part of it.

Cast of Characters:

Charlie Kennan — Brian Jones
 Reginald "Whinnie" More — Marc Kendrick
 Katie Van Loom — Sheila Neill
 Millie Van Loom — Jane Montgomery
 "Terror Trip" — Jimmy Hall
 Sylvester Smith — Mark Kitchens
 Madge Van Loom — Lee McHann
 Beth Shepherd — Pam Nixon
 Freckles — Charlie Ferguson
 Wilma Anderson — Nancy Fancher
 "Slappy" Wertz — Brian Bock
 Rose Duval — Jennie McKenzie
 Prompters — Lee Pennebaker
 Lisa Land

The entire play was centered around the answer to a \$100,000 dollar question which was only known by Whinnie More who later became Lucretia Klondike.

The setting of the play was The House Of Health, a fairly unknown health resort which was operated by Terror Trip, with the help of Wilma Anderson and Freckles. Katie and Millie Van Loom, middle aged spinsters who were rather unwilling to allow their niece Madge to get married to Whinnie More. Madge, as well as her friend, Beth Shepherd, was also a guest at the resort. Charlie Kennan and Sylvester Smith were also among the guests who helped to catch the criminals, Slappy Wertz and Rose Duval.

The play ended well as the criminals met with defeat and Madge and Whinnie were reunited. Katie and Millie continued to flirt with Sylvester as they had done throughout the play. "Skinned Alive" proved to be a very entertaining play that kept the audience laughing from Act I on.

Class Day

Class Day was a very special day. The Seniors were honored and gave a funny, touching farewell to the student body. The students were honored with awards for working hard this year. It was a special day for the new Beta Club members, who were initiated officially into the Beta Club for achieving scholastic excellence.

It was a proud day for all of these students, but Rebul Academy was the proudest of all.

Spirit Week

There are few memories as precious to those at Rebul as those of Spirit Week. During the week the students and teachers are drawn closer together as the excitement of the homecoming game draws near. Each day holds the promise of fun, happiness, and laughter.

Hat Day and Wild West Day bring out hats of every description. And of course, two of the favorite days, Crazy Day and Mix and Match Day, stimulate the school body's imagination as everyone dresses to suit the wildest fancy. This year the senior class dressed in evening gowns and suits with tennis shoes! A favorite of everyone was certainly Mrs. Smith with her leopard boots and lion skirt. (See page 30.) The last day of Spirit Week is Red and White Day. On this day red and white are worn to show loyalty and support for the football team.

The following photographs are found reminders of the fun during Spirit Week. Photo one shows Chris Kitchens on his way to class in unusual school clothes. Mrs. Kennedy and Sheila Neill displays the lovely corsages that were sold during Spirit Week. In the third photograph freshmen Kate Margolis and Amy Dowe can't decide who looks best!

The Homecoming football game was against Simpson and it surely was an exciting game! It was the climax after five crazy days — SPIRIT WEEK. The Homecoming Court was held in the gym during half time because of rain earlier that day. Everyone had fun at the Homecoming Dance following the game, dancing to the tunes of Triple Threat.

Valentine Dance

In spite of the rain and the flu bug going around, the Valentine Dance turned out well. It may have been dreary outside, but inside the fun was rising. The highlight of the night was the crowning of new King Scott Curtis and Queen Angela Fisher. Everyone had a great time participating in the dance contest, which was won by Mark Bradshaw and Lisa Brown.

Field Day

Field Day, sponsored by the cheerleaders, was just what the students needed. Everyone had Spring Fever and were itching to get out and have a good time. Elementary and high school alike participated in the dashes, softball throws, and the hilarious wheelbarrow and 3-legged races. It was a perfect sunny day — a preview of the fast-coming summer.

Jr.-Sr. Prom

On April 16, the Jr. Sr. prom was held at the Vicksburg Hotel. The loveliness of the Old South was recaptured with the theme "Southern Nights" and a dance floor was decorated beautifully as an old antebellum home, complete with a gazebo. The students were entertained by TNT, who provided great dance music along with a slide show featuring shots of kids at school. The students, as well as the teachers, thoroughly enjoyed the event, making this prom night a big success.

The winners were: First place — Alishia Moody and Eddie McClain, Second place — Jimbo Tinsley and Sylvia Jones, and Third place — Sherman Williams and Juana Dozier.

Barbecue

The rain might have moved us inside, but it didn't damper the spirits of all who attended the yearly auxiliary-sponsored barbecue on April 24. Baked beans, slaw, cake, and of course, lots of spicy barbecued chicken were provided for all with an appetite. The fifth-graders added life with a square dance, and the chorus presented a few well-rehearsed songs. If that wasn't enough to keep everyone's toes tapping, the old-time jazz band who played ensured it. The barbecue was a perfect opportunity for old friends to get together and have a good time.

Students Barely Get By The Teachers!

The gym roared with cheers. The banners were flying. The players, as well as the spectators, anticipated the moment . . . The Student Council/Faculty basketball game would begin.

And indeed, it had all the aspects of a great game — unbelievable feats (such as Mrs. Smith **MAKING** a shot), excitement (the players racing down the court), and entertainment (the faculty warm-up with "Sweet Georgia Brown").

Everyone always looks forward to this event because it is students against the teachers — but it is always that way, isn't it?

On the evening of March 9, 1982, an unforgettable event took place in the Rebul Academy gym — the Talent Show and the first annual "Mess Rebul Pageant".

The night began with the Talent Show, emceed by Ken Hollingsworth, disc jockey of the radio station WCSP in Crystal Springs. Several Rebul students performed for the audience singing, piano playing, dancing, and even a ventriloquist act. Rebul is proud of its talented students.

Afterwards, The first "Mess Rebul Pageant" was held, and what a mess it was. The emcee was Mr. Stanley Neill (alias Sheila Neill.) Twelve contestants made their debut, showing poise and grace in the Formal competition. All of the girls were very competitive in the Talent Contest. Several played famous piano compositions such as Chopsticks. Some beautifully sang the most popular songs, while others did an Arabian belly dance and a peppy baton-twirling act. Next, the three judges, Mrs. Kennedy, Mrs. Griffin, and Mrs. Smith had to make the tough decision of who would be the five finalists. The five lucky girls each had to answer a hard question as the last part of competition. The judges then had to choose the over-all winner. Marsha Kendrick was crowned Mess Rebul.

Edwin E. Hood

Headmaster

The students and faculty of Rebul Academy would like to express sincere appreciation to the headmaster, Mr. Edwin Hood. Mr. Hood's smile and cheerful attitude have been trademarks of Rebul Academy for the past 9 years. Mr. Hood is an asset to school life for many reasons: his caring attitude toward the students, his mathematical abilities, and his leadership abilities. Mr. Hood goes far beyond his required obligations at the school, for he does maintenance work, yard work, class substitution, classroom teaching in government and economics, as well as full-time administrative work. Few headmasters compare in versatility to Mr. Hood, and few work so selflessly and without complaint. "Thank you, Mr. Hood; we love you"

Faculty And Staff

Mrs. Ina Womack is always gracious to entertain at school functions.

During this year, the teachers struggled to drill into the students some extent of knowledge. This task was a diffucult one at times for everyone involved.

Between classes and after school, however, teachers joined in the various activities.

The faculty and staff, as well, are always around at times when students are in trouble. These teachers are people who are true friends to everyone.

Fads 'N Fashions

Everyone at Rebul showed his style and flair for fashion through the clothes he wore. The most popular "fashionables" from head to toe were — Headbands shirts such as preppy polos, Izods, and sailor shirts, pants alike, knickers, army pants, and of course, jeans, Calvin Klein, Lees, Levis, and Chics. Shoes included loafers, Bass sandals, Nikes, Pony, and Addidas. We're 3,000 miles from Paris, but we still got it!

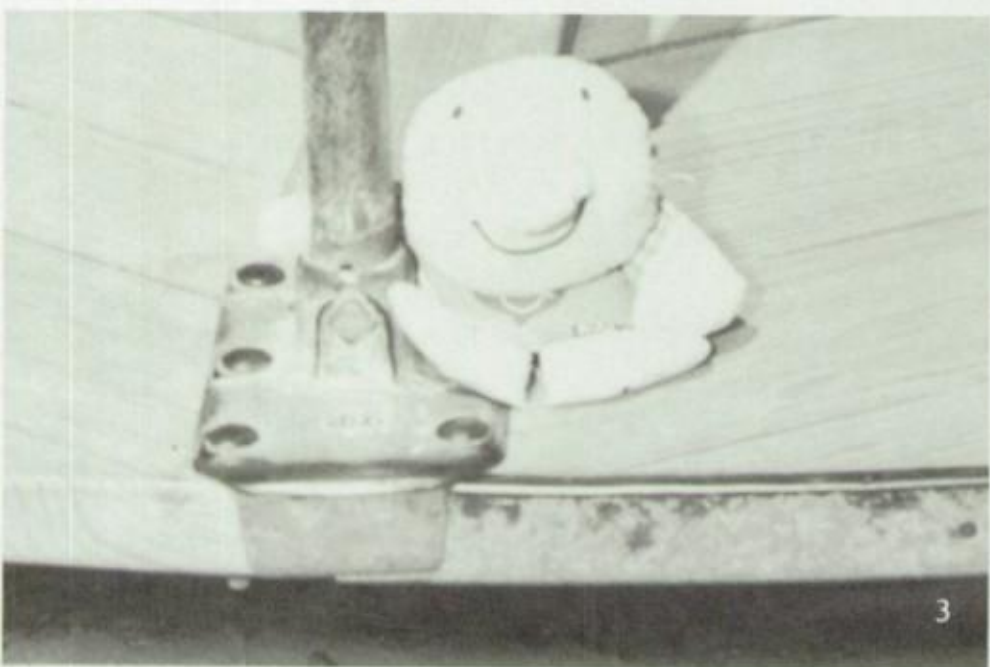

1. A few of Rebul's fashionable feet.
2. "With-it" meant polo shirts.
3. Head bands were ahead in the fashion scene.

Almost Anything Goes

1. Chris demonstrates camera operation, without a camera! 2. Hardy loves a crowd! 3. Tonya shows her athletic ability. 4. The darkroom has STRANGE effects on some people. 5. leeron's just a kid sometimes! 6. Tom and Emily often express their true feelings about annual staff. 7. Mark Kitchens, Glenn, and Mark Hales seem determined to get the sign just right.

Sheila Neill

Working on the yearbook for the past two years has been a great experience for me. I've learned to appreciate all the good things which Rebul has to offer.

In this book, we tried to capture the times that we thought you'd like to remember. Please forgive us if we missed anything because we did try to work everything in.

My sincere thanks go to the staff for their work and cooperation and to all of the teachers for their understanding and support throughout the year. I especially want to thank our sponsor, Mrs. Gayle Kennedy, for her help, support, and love when I needed it the most. May God bless each of you with happiness throughout your lives. Until we meet again, I'd like to leave you with this thought:

BE

Be understanding to your enemies.
Be loyal to your friends.
Be strong enough to face the world each day. Be weak enough to know you cannot do everything alone.
Be generous to those who need your help.
Be frugal with what you need yourself.
Be wise enough to know that you do not know everything.
Be foolish enough to believe in miracles.
Be willing to share your joys.
Be a leader when you see a path others have missed.
Be a follower when you are shrouded by the mists of uncertainty.
Be the first to congratulate an opponent who succeeds.
Be the last to criticize a colleague who fails.
Be sure of your final destination, in case you are going the wrong way.
Be loving to those who love you.
Be loving to those who do not love you, and they may change.
Above all, be yourself.

Sheila

This Is Not The End, But Only The Beginning.

STOP

Remember: 1. Ziggy is not dead. 2. Sixth grade studies. 3. Assembly programs were interesting. 4. Registration day. 5. Sometimes serious measures were applied. 6. School days are full of happy memories.

STOP

Remember: 1. Snack time. 2. The game was finally over. 3. There were many ways to stretch a dollar. 4. The autograph party, sponsored by the annual staff, was a big success. 5. Punk hits Rebul. 6. Parents were always there to help.

Autographs
